

Send 10 Saliva pH Testing Strips FREE to your friends

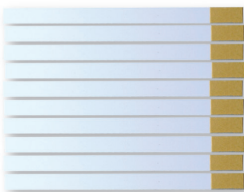

Dear **Valued Customer**

Because you have placed an order with us, you are entitled to request up to four **Post-It-On** ➔ gift packs of **10 Saliva pH Test Strips**, to be sent free by us to your family and friends, compliments of you. All that we ask is that they reside in New Zealand and are not already one of our customers. One gift pack per address.

Simply fill in their full names on the other side of this flyer. Include their residential address, post code and phone number. Then return this flyer to us by post to **Health House, Private Bag 12029, Tauranga 3112**.

Your friends will then be able to test their saliva pH at home with this easy-to-use-kit. Correct pH is absolutely vital to good health.

Along with their gift they will receive our latest Health House catalogue plus a flyer explaining the **Post-It-On** ➔ program.

Sensitive pH saliva test strip kit (10 tests) in a protective foil package. Checks if saliva is a healthy pH 6.8?

**Post to: Health House, Private Bag 12029,
