Healthy Joints is formulated for maximum effectiveness. The highest grade natural Glucosamine derived from shellfish, combined in equal portions with high grade Chondroitin extracted from shark cartilage, to assist your body in maintaining the health of, and the regeneration of joint cartilage as you age.

It also contains organic Silica for flexibility and youthfulness of your joints, plus highly bio-available, chelated Boron, and natural Vitamin D, to help your body absorb the minerals essential for pain free joints and strong healthy bones as you age.
